# GO GREEN

Get eco savvy with these new household products

**speed it up**  
 Help to accelerate composting and enrich the heap with Maze Bokashi. It uses microbes to ferment organic waste and, as a result, the 'pickled' waste can go straight into the soil – there's no need to compost the material and it doesn't smell. Just cover the surface area by sprinkling on the Bokashi. But if you'd like to stick to composting, the Maze Compost Aerator will lift and mix compost to help speed up the process. Made from recycled plastic the 750mm tool will help you achieve the best food for your garden. Maze Bokashi, \$8.99/1.5 litres, \$17.95/5 litres, Maze Compost Aerator, \$14.95, Bunnings 8152 6500, [www.bunnings.com.au](http://www.bunnings.com.au) or [www.mazedistribution.com.au](http://www.mazedistribution.com.au).

**water wise**  
 The Smart Spout is an eco water saver and can reduce water consumption by up to 70 per cent. The spout can be easily attached to your tap – just take off the aerator and screw on. The sensor is activated when you put your hands underneath to let the water flow, but stops when you take your hands away. Great for brushing your teeth and perfect if you have little ones who forget to turn off the tap! Smart Spout, \$59.95, Ecolateral Sustainable Living Products, 411 Magill Rd, St Morris 8333 3478.

Tend to your plants with the environment in mind with these natural husk fibre planters. Biodegradable and compostable, the affordable planters are a great way to go green in the garden. Planters, from \$4.50 to \$8.95 each, Ecolateral Sustainable Living Products, 411 Magill Rd, St Morris 8333 3478.

### waste management

Avoid the trip to the compost bin after every meal with the Maze Compost Caddy. The caddy includes a wide opening to make it easy to scrape waste off your plates without making a mess. The snap-fitting lid traps moisture and odours so you can keep it under the sink without any nasty smells escaping, plus the bin can be used with a Compost-a-Bag to help transfer from bin to bin without any hassles. Maze Compost Caddy, \$12.95, Compost-a-Bag, \$7.50 for pack of 25, Bunnings 8152 6500, [www.bunnings.com.au](http://www.bunnings.com.au) or [www.mazedistribution.com.au](http://www.mazedistribution.com.au).
